

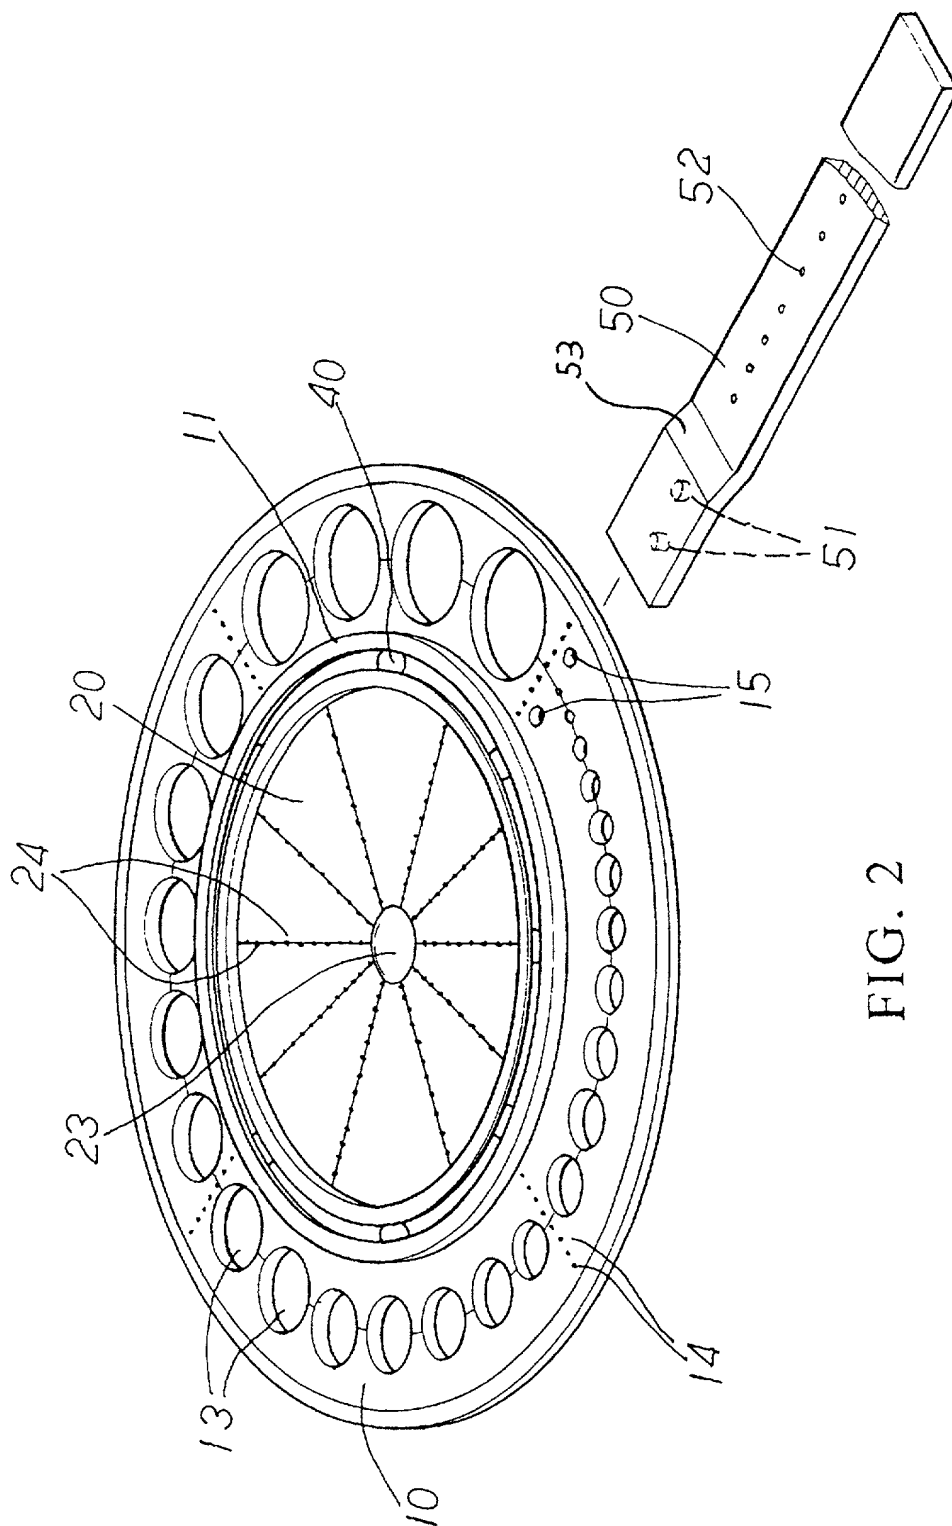

FIG. 1

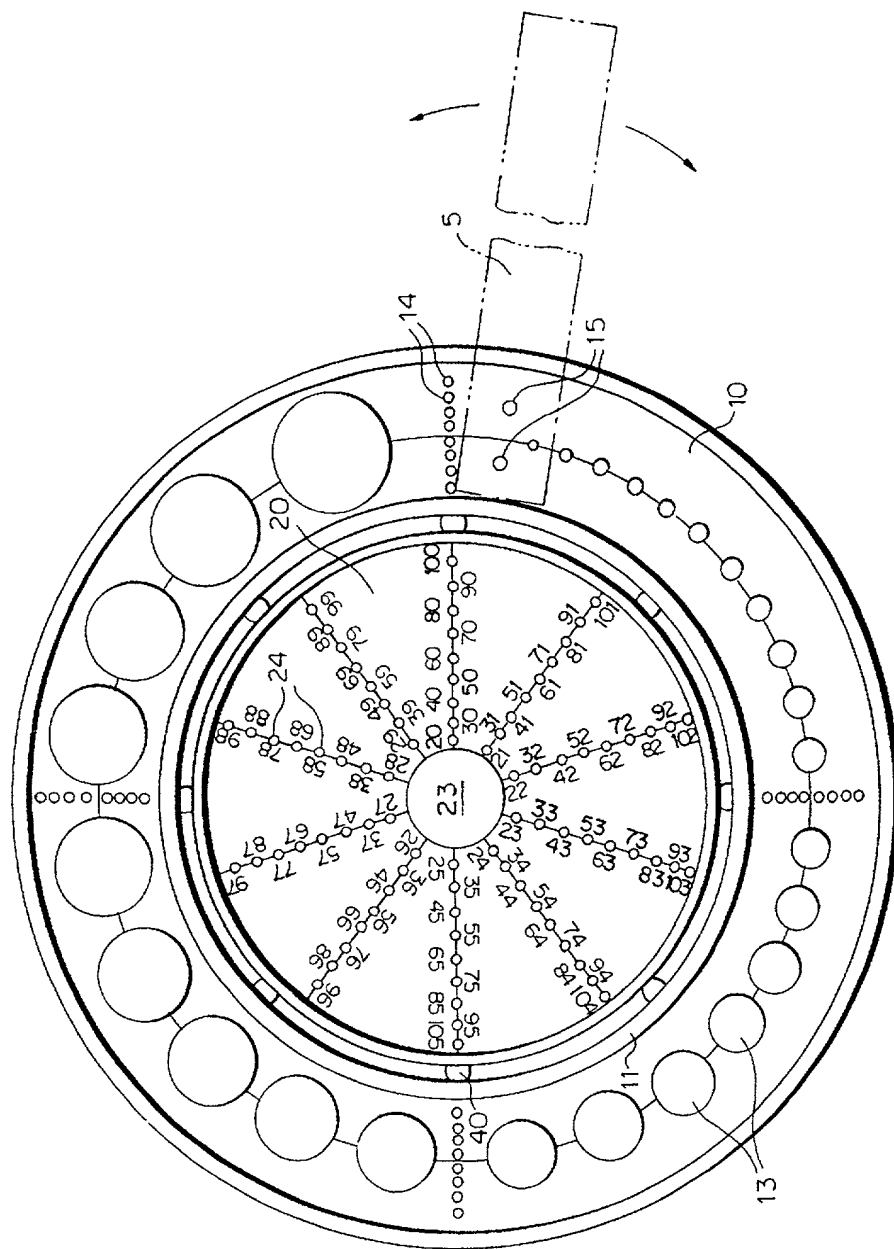

FIG. 3

FIG. 3 is a schematic diagram of a circular device with a central hub (23) and multiple radial arms (10, 11, 12, 13, 14, 15) extending to a peripheral ring (10). The central hub is labeled 23. The radial arms are labeled 10, 11, 12, 13, 14, and 15. The peripheral ring is labeled 10. The diagram shows a complex arrangement of components, including a central hub (23) and multiple radial arms (10, 11, 12, 13, 14, 15) extending to a peripheral ring (10).
